PUNE: mLogica today said Amit Okhandiar and Vazi Okhandiar, its CMD and Head of Technology, respectively, received certificate of special US Congressional recognition for their outstanding entrepreneurial skills and community service.

They also received commendation and certificate of recognition/appreciation by the Sheriff of Los Angeles County, Speaker of the Assembly of California Legislature Assembly and the Supervisor of the County of Los Angeles, an mLogica statement said.

mLogica is a consulting firm with specialization in database management, decision support systems, mobile and embedded technologies and enterprise software development.
